Argan Active Oxygen Instant Repair

Argan Oil enriched with natural Vitamin E, essential fatty acid and linoleic acid effectively repairs damaged hair and split ends while preventing on going damage from occurring. High moisturising content rehydrates dry hair while offering long term moisture retention to prevent dehydration. Antioxidants protect the hair from UVA and UVB damage while maintaining colour intensity preventing colour fade occurring. Softens the hair reducing brittleness, evens out the porosity of the hair and speed the blow drying time.

Argan oil also known as Morocco Oil has been acknowledged as liquid gold Argan Active Oxygen care range is designed with all hair needs in mind to strengthen, repair and protect the hair. Creating naturally healthy, beautifully shiny and luscious hair.

Argan Active Oxygen Instant Repair Shampoo and Conditioner

Argan Active Oxygen Instant Repair Shampoo

Apply to damp hair, massage rich lather into the scalp and hair. Rinse and repeat if necessary.

Argan Active Oxygen Instant Repair Conditioner

Work Conditioner through damp hair. For deeper conditioning leave for 3-5 minute. Rinse throughly.

INGREDIENTS:

Argania Spinosa Kernel Oil
Grape Seed Oil
Opuntia Tuna (Cactus Plant) Extract
Boswellia Carterii Oil

Argan Active Oxygen Instant Repair Shampoo

Argan Active Oxygen Instant Repair Conditioner

Argan Active Oxygen Instant Repair Oil

Smooths, nourishes and repairs the hair. Evens out the differing porosity levels from root to tip of each hair strand, allowing the cuticle to perform its required function of protecting the internal structure of the hair. Enables faster Blow Drying time due to even porosity and eliminates much needed moisture being removed from the inner most structure of the hair during the Blow Drying/Styling process.

Apply 2-4 pumps to the hands and smooth evenly into damp or dry hair. Blow Wave or style as required. Leave in.

INGREDIENTS:

Argania Spinosa Kernel Oil
Bitter Orange Flower Extract
Sunflower Seed Oil
Opuntia Tuna (Cactus Plant) Extract
Boswellia Carterii Oil

Argan Active Oxygen Instant Repair Mask

Repairs and strengthens the hair from within while creating a protective membrane over the hair to eliminate further damage. Smooths the hair adding manageability to aid in the styling process, leaving the hair feeling soft and shiny.

WEEKLY USE

After shampooing and removing excess moisture apply appropriate amount of mask from roots to ends of hair. comb to distribute evenly.

Heat Treatment; cover with a hot towel or use steamer/climazone. Leave for 5-10 minutes, massage then rinse throughly.

INGREDIENTS:

Argani
Grape Seed Oil
Shea Butter
Opuntia Tuna (Cactus Plant) Extract
Boswellia Carterii Oil

Argan Oil Sun Protection Spray

Thermal and UV protection spray for all hair types.
Enriched with Peppermint Oil, natural Vitamin E, essential fatty acid and Argan Oil to instantly supplement nutrients and create a protective membrane over the hair.
Strengthens from within while leaving your hair shiny, feeling soft and smooth after use.

Shake well, spray on towel-dried or dry hair thoroughly after shampooing, leave-in.

INGREDIENTS:

Peppermint Oil
Jojoba Oil
Argania Spinosa Kernel Oil
Grape Seed Oil
Ginkgo Biloba Leaf Extract

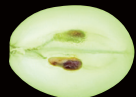

Argan Active Oxygen Instant Repair Ingredients

Argania Spinosa Kernel Oil

Natural hair and skin care product which contains Vitamin E. Argan oil moisturises and nourishes the hair. Highly oxidising abilities protect while retaining moisture and eliminating dehydrated hair and dry scalp.

Grape Seed Oil

Prevents split ends from forming and reduces brittleness in the hair making the hair feel smooth while creating a healthy shine.

Opuntia Tuna (Paddle Cactus Plant) Extract

Soothes and softens the hair, relieves sensitivities, protects from free radical damage caused by environmental stress.

Boswellia Carterii Oil

Stimulates cellular regeneration, tightens and tones, revitalises oxygen deprived tissues, provides anti-inflammatory effects.

Hydrolyzed Wheat Protein

Strengthens and repairs damaged hair. Increases the hairs ability to retain moisture and reduces the hair's porosity.

Jojoba Oil

Closely mimics natural sebum and it functions; repairing, rehydrating and protecting the hair and scalp.

Sunflower Seed Oil

Leaves hair feeling soft and smooth. Also protects hair from heat styling, inhibits absorption of UV/UVA rays and adds shine.

Bitter Orange Flower Extract

Colour protection and stimulates hair growth.

Shea Butter

Is full of minerals, vitamins, moisturizing and anti-inflammatory properties. Repairs hair that has been damaged by excessive colouring and blow-drying. Its anti-inflammatory properties protect against environmental, UVA and UVB damage and heal the scalp to clear any infection which works well against dandruff. Smooths and softens brittle hair due to conditioning, revitalising and moisturising properties. Shields hair and protects colour while locking in moisture.
